ASSEMBLING THE TABLE

- 01 Remove the protecting package taking care to not scratch or cut the product. Place the curved parts of the table in a flat and clean surface to avoid scratches in the natural wood during the assembling process.
- 02 With the curved tops (A) of the table pointing upwards, start the alignment of the metal rods with the holes in the tops; Use the provided screws (S1) and the 4mm allen wrench to secure the fixation the top with the metal rods.
- 03 Then, insert the base (B) between the metallic rods, following the instructions as shown in the diagram. Place them in a way where the holes of the far end of the curved lids (A) are aligned with the holes in the middle of the (B), then, proceed the fixation using the screws (S2). After finishing this step, fasten the metal rods in the base with the (S1) screws.
- 04 Lastly, introduce the shelf (C) between the metallic rods and fix the shelf in the metallic rods using the (S1) screw.

Your table is ready for use!
